

```
#include <stdio.h>
int main() {
    char* c = "gssor9"
        ".kncy-g"
        "`bjdqro`bd"
        "-ok";
    while (*c) {
        putchar(*c+1);
        c++;
    }
    // Ogarniasz? Wpadnij.
```
